7  
8                   We, the undersigned, declare:  
9  
10

11                  That we reside at the addresses indicated below, which are our post office addresses.  
12  
13

14                  The specification to which this Declaration is directed is entitled: Method and Apparatus  
15                  for In Situ Inspection of Reformer Tubes  
16

17                  That we have reviewed and understand the contents of said specification, including the  
18                  claims.  
19

20                  That we believe that we are the original and first inventors of the subject matter which is  
21                  claimed and for which a patent is sought.  
22

23                  That we are the sole inventors of the invention claimed.  
24  
25

26                  That we acknowledge the duty to disclose information, which is material to the  
27                  examination of this application in accordance with 37 CFR {1.56(a)}  
28

29                  That all statements made herein of our own knowledge are true, that all statements made  
30                  herein on information and belief are believed to be true, and that these statements were made  
31                  with the knowledge that willful false statements and the like so made are punishable by fine or  
32                  imprisonment, or both (18 U.S.C. 1001) and may jeopardize the validity of the application or any  
33                  patent issuing thereon.  
34

35                  And we hereby appoint Don R. Mollick, Reg. 28,972; attorney of the State Bar of  
36                  Washington, of the firm of Law Offices of Don R. Mollick, having a business address of 12505  
37                  Bellevue Redmond Road, Suite 210, Bellevue, Washington 98005, and a telephone number of  
38                  (205) 454-2700, as my attorney with full power of substitution and revocation, to prosecute this  
39                  application and to transact all business in the Patent and Trademark Office connected herewith.  
40

41                  Wherefore, we pray that Letters Patent be granted to us for the invention described and  
42                  claimed in said specification and claims, declaration, power of attorney, and this petition.
